# Let's do business

## **Citizens National Bank understands the unique challenges local businesses face.**

We've been doing business here for almost 100 years. Our local perspective makes us your ideal commercial lending partner. Let's do business, today.

### **BUSINESS LOANS**

Equipment, inventory expansion, accounts receivable. No matter what your business lending needs, Citizens National Bank can help you secure the financing that will help your business flourish & grow.

- **Competitive Rates**
- **Secured and Unsecured loans available**
- **Flexible repayment terms up to 20 years**

### **BUSINESS LINE OF CREDIT**

Make sure the funds you need are on hand when you need them.

- **Simply write a check for any business expense**
- **No need to reapply each time you need money**
- **Pay interest only on your outstanding balance**

### **BUSINESS MASTERCARD® & VISA®**

The safety and convenience to do business around the corner & around the world.

### **BUSINESS CONSTRUCTION LOANS**

Whether renovation or new construction, Citizens National Bank construction financing can help you realize your business goals.

- **Construction-to-permanent, long-term financing**
- **Flexible repayment terms up to 20 years**

### **BUSINESS LEASING**

A business lease can be a practical credit solution for a new or growing business.

- **Borrow the purchase price of commercial vehicles or equipment**
- **Little or no down payment required**
- **Lease to buy option or the flexibility to upgrade your equipment**
